**Stewardship 2024**

First Presbyterian Church Belmont

## Serving Jesus Christ

Giving our time and talents to God is as important to being a disciple as giving our treasure; both are done in gratitude for what God has done for us in Jesus Christ. But giving our time and talents is much more personal than writing a check or clicking a “submit” button for online financial giving. It is giving of **ourselves**, whether you help with our “Feed the Children” program or volunteer to stuff envelopes in the church office. All of these things help us share the love of Jesus Christ with others.

There is something for you to do at First Presbyterian Church, no matter what your talents are or how much time you have to give. You can volunteer for a one-time event or you can join a committee and help plan events. **You do not have to join a committee to serve.** Give what you can, when you can; the important thing is that you give of yourself doing something that gives you energy and that you enjoy.

**Please prayerfully consider volunteering for any of the activities listed and check the box. Be sure to note your contact information on the back page and whether this is a change.** Please return by mail or put it in the offering plate on Sunday. You can learn more about various programs and ministries to get involved in at [www.fpc-belmont.org](http://www.fpc-belmont.org). If you have any questions or if you don't see the way in which you'd like to volunteer listed, please get in touch with the appropriate contact person by email.
